Mr. Fish at Oyster Bay sounded real salty.

It appears mighty natural to hear that Aunt CARRIE NATION is back in Jail.

This "affinity" business may continue until the wives get it into their heads to look around for a "soul husband."—Portsmouth Blade.

THE King of Swain, as a high roller makes DUKE BORIS, HARRY THAW and other fellows look like a crowd of cheap skates.

MARSE HENRY refers to one of his Democratic exchanges as "a Rural Rooster of the dominicker species." Perhaps the game cocks of the "blue hen's chicken" variety are species of a now extinct breed.

THERE must be something the matter in certain portions of the Bluegrass. At Cynthiana Tuesday, County Court Day, there were 3,000 people present. H. V. McCHESTNUT, Democrat, spoke to only 125 voters at the Court-house. There was no enthusiasm, and it was a veritable frost for the Democrats.

EXTRACT from Mr. WILLSON's speech at Lexington:

"Mr. WILLSON raised a storm of applause which shook the foundation of the building when he told about the Henry Clay statue in the Cemetery here. It will be recalled that about two years ago a severe electrical storm broke over this section and a bolt of lightning decapitated the Clay statue.

"A bill was adopted by the Legislature appropriating \$1,500 to replace the head, but Governor BECKHAM vetoed it because we could not spare the money, but at the same time signed a bill appropriating \$20,000 for a statue of GOEBEL."

A LOUISVILLE saloon-keeper fainted when his case was called in the Police Court on the charge of violating the Sunday closing law. He needed a stimulant.

OWEN TYLER's declaration for an open season on Sunday, has absolutely killed his chances for election as the Democratic candidate for Mayor of Louisville. HAGER has allied himself with every disreputable interest in the state to further his election as Governor and he and TYLER are working hand in hand trying to play both sides for a winner, the liquor interest and the temperance people.

THE laboring men of the country desire to have implicit faith in President ROOSEVELT, but his determination and persistence in retaining in office Public Printer STILLINGS, who is hated by ninety-nine hundredths of his employees as no other public official ever was hated, is past understanding. It is regretted that the President can be so bull-headed in such an emergency. The Labor Unions propose to have STILLINGS fired even if they have to appeal to the ballot.

KICKER THE WRONG MAN.

A young married man in Boston met a friend of his bachelor days and insisted on his coming home with him to lunch. His wife was unprepared for visitors and, calling him aside, told him she had only one dozen oysters and that when his friend had eaten his quota of four he must not be asked to take any more. In spite of his promise to remember, when the guest had eaten his four the host pressed him to take more. The wife looked distressed, and the friend declined every time the husband asked.

Later the wife said to her husband:  
"How could you urge him to have more oysters when I had explained to you that there weren't any more?"  
"I'm very, very sorry," said the penitent husband, "but I forgot all about it."  
"Forgot about it! What do you suppose I was kicking you under the table for?"  
"But you didn't kick me."

## REGIMENTAL REUNIONS

Annual Gathering of the Tenth Kentucky Cavalry and the Sixteenth Kentucky Infantry

At Maysville Yesterday—A Notable Affair Well Attended—"Thin, Blue Line" Rapidly Fading.

The Sixteenth Infantry and Tenth Cavalry Regiments of Kentucky Volunteer Civil War Veterans, held their seventeenth annual reunion in Grand Army Hall, this city, yesterday morning and afternoon.

The gathering was a notable one, being composed of old veterans, their wives, daughters and invited guests.

The meeting was called to order by H. C. Metcalfe, President of the Association, after which the Rev. T. P. Degman invoked divine blessings upon the deliberations of the gathering.

The morning session was taken up in routine business, reading of communications, registering of names, and the taking up of a collection for current expenses, amounting to \$19, and with \$6.20 left over from last year, leaves a balance in the hands of the Treasurer of \$25.20.

The noon hour having arrived, the meeting adjourned for dinner, to reassemble at 1:30.

AFTERNOON SESSION.  
On being called to order the first business transacted was the election of officers for the ensuing year, which resulted as follows:

President—J. M. Foley, Cincinnati.  
First Vice-President—C. L. Dudley, Flemingsburg.  
Second Vice-President—Dr. Alexander Hunter, Washington.  
Secretary—C. C. Degman, Springdale.  
Assistant Secretary—A. M. January, Maysville.  
Historian—W. W. Lynch, Maysville.  
Chaplain—Thomas J. Wood, Hillsboro.

The lack of proper arrangements for dinner was the cause for considerable discussion, bringing out caustic and cutting remarks in regard to the matter. A good deal of which was unjust and uncalled for. It was finally decided that in future those attending should bring well filled baskets to avoid a recurrence of like conditions.

A committee, whose duty it is to make proper arrangements for next year's reunion, was appointed as follows—

W. W. Lynch, Chairman; John M. Shepard, Dr. A. N. Ellis and S. P. Bridges.

The following comrades have died during the past year—

Colonel John M. Wallingford, Lawrenceburg, Ind., G. H. Pollitt, Rectorville; Delmore Daulton, Helena; Byron D. Hanna, Jerry Burnett, M. P. Plummer, W. B. Scott, Charles W. Burrell, Jackson Polly, William Kocloff, John Johnson, Alonzo Kidder, William Hall, H. S. Wood, James Riggdon, Captain Hammer, B. F. Henderson, Colonel J. S. Hamers, James Jannett, John Overly and James Turner.

Tributes to the memory of the departed dead were made by Colonel R. R. Maltby, Major J. M. Foley, Major M. C. Hutchins, C. C. Degman and others.

The deliberations of the session having been concluded the meeting was converted into a love feast and speaking meeting, in which all present participated.

The reunion is to be held again in this city next year.

Following is the roster—
